Ugh..

...

Sete-la
Sen-pai

?

!!!
.....

UWAHHH-
HHHHH!

Why are you in
such a panic?
You never date
a woman
before?

Ugh...

Wha...!?

Gosh...

Well, you
need to be up
to some-
thing...

Judging by
that weird
clothes
you're
wearing...

What the
heck...!?

Can you under-
stand me?

Do you speak
this
language?

I can't under-
stand what
you're saying.

Do all people
use this strange
language to
communicate?

You don't under-
stand and
speak other...

But I've
never heard
anything like that.

Is it some
kind of a
foreign
language?

So we can't
understand
each other's
language, huh...

Seriously,
what is this
place...?

What's
going on right
now...?

I'll take you to
the city after
the night clears
up.

Well, for now,
rest and wait.

Monks are
probably here-
I'll protect you.

So it's not safe to
move around till
the sun comes
up...

"CHIDORI"
frequently shows up
here in the forest.

During grandfather's
experiment, I
was certainly

I don't
get
anything
at all...

Does that
mean my
body was also
transported
with it.?

I can feel
my body.

Could this place possibly be...?

What does this mean...?

I'd hate to think of this but...

I wanted to avoid my encounter but...

What the...?

What's going on...?

I'm afraid it showed up...

Pandora-
type?

That's a...!

Did it... fail to
reach the
extradimensional
space...?

Is this place
earth...?

What's a
Pandora-
type doing
here...?

Even at least a
ROUNDUP,
you know!

Calm
down...

Told you
I'd protect
you, right?

If there's
none here,
then does
that mean...

TL Note: Seion roughly means holy grace in japanese.

*Have mercy upon
these souls that
are lost and
cannot find their
own path*

*The one who
protects the
harmony of
the world—*

*And lead
them*

*To the
grounds of
the holy
will!!!*

It's fast...!!

Just like an ace!!

That's no good!
Pandora-types

Neutralizes all
physical
attacks!!

Break the wall...

That easily...?

And so...

Rest

In
peace

For

Under the
grounds of
holy
grace...

Your
suffering,
redness,
repentment,
and
despair...

I will
remember
everything...

The soul from
the Pandora-
type...?

Soul...!?

if this is
the good

it's just
an i
thought

then
there's no
doubt...

Then I
should be
able to
absorb it

What do
you think
you're
doing!!!

Hey!!

What a fool!

Why all of a sudden?

Can turn
you into an
Order
itself!!

You know
absorbing
the
unpurified
soul

That's not
true! I was
just...

Is she
saying
that I
suck up?

Looking to
see if it was
the soul...

Yk...

AAAAHH!!!

Ku...
GAHHHH...

Down!
Just as I
expected

Don't
blame me
for doing
this!

This feel-
ing... is it
coming
from that
soul I
absorbed
earlier...?

What is this?

Let's wait
a bit

Umm, she
can't
understand
what I'm
saying

Go rise in
peace!!

She was using the stigma, so I'll have to bet on that!

Don't know if she is a Pandora but...

I'm restraining you!

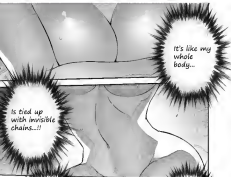

GAH... HHH... H

What the hell..!!

What...!?

AHH..!

Is tied up
with invisible
chains...!!

it's like my
whole
body...

What the
heck is
he...!?

This boy...

Please. Put
away your
sword...

I have no
intention
to hurt
you...

Please...

You have
no inten-
tion to
fight me,
huh...

Also...

I heard a
voice
earlier...

It seems like...

You didn't turn into an Order...

What the heck are you, really?

You
really
are a
strange
boy...

Hmm? What
is it?
You're face
is red.

Well, for
now on, I'll
take you to
the holy
city.

And besides
that, I
know some-
one who
might have
a clue about
you.

Are you
sure you
didn't get
any infor-
mation from
that...?

Someone
who is...

Especially
detained in
males...

High City
Elcarium.

What?

Don't have to I
put it... This
world...

It's like I'm
watching a
dream...

Seems so
familiar...
Where
have I
seen it...

Come over
here!

Or else I'm
leaving you
behind!

Or it's the
familiar
world from
before!

Hey!

You really have some cute attitudes

You're like a puppy

This one, right?

How much is that robe?

Put that on for now

Your clothes are just too flashy

Is she telling me to come...?

N...No?

It's different...

See? Even this clerk is scared right now.

Yes, I totally understand how you feel!

It's just... because it's my first time watching a male this closely...

And that clerk too...

Come to think of it...

There's some thing strange...

Not coming back for 6 months and all of this...

Yeah, it's been a long time.
